DELACRE Essential Expertise

- Herbal reflexology is an ancient technique based on points on the foot that are linked to certain organs of the body via reflex zones. The stimulation of these points makes it possible to balance out the energies and to decrease stress.

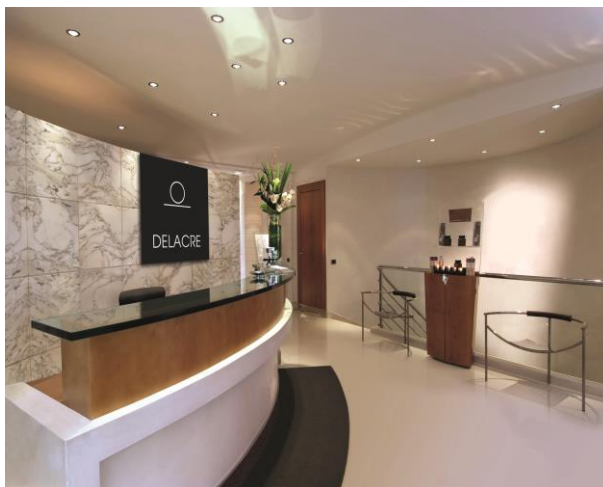

The professionals at DELACRE believe that excellence must be accompanied by well-being. In a world driven by performance, the DELACRE salon comes as a welcome space into a realm of harmony and well-being. The luxurious and relaxing spaces of the DELACRE Turkish bath and Sauna offer the perfect extra touch to the salon experience. And to ensure complete osmosis of the mind and body, head for the DELACRE relaxation room to enjoy a precious moment of tranquility.
